

The 11th International Conference on Flexible and Printed Electronics

August 27, 2021

Prof. Leszek A. Majewski
The University of Manchester

Dear Prof. Majewski:

On behalf of the organizing committee, I am pleased to send you this invitation to give an invited talk at The 11th International Conference on Flexible and Printed Electronics (ICFPE 2021), which will be held by on-line from September 27 to October 1, 2021.

The International Conference on Flexible and Printed Electronics is one of the most authentic international conferences that aims to highlight recent progress in science and technology related to flexible and printed electronics. We are convinced that your expertise will further advance the research in this field. It is our great privilege if you could give an invited talk on your recent achievement in this field.

Please visit our Web page for detailed information.
