

ESMO-The Christie Preceptorship: Immunotherapy of Cancer

Friday 23rd - Saturday 24th January 2015

Education Centre (Dept 17), The Christie, Manchester, M20 4BX

FROM THE ESSENTIALS OF TUMOUR IMMUNOLOGY TO CLINICAL APPLICATION

This event is a joint initiative between The European Society for Medical Oncology and The Christie NHS Foundation Trust which allows us to bring together a renowned multidisciplinary faculty to deliver a comprehensive course on immuno-oncology for clinicians, nurses and scientists interested in learning more about immune-oncology

About the organisers

ESMO

The European Society for Medical Oncology (ESMO) is Europe's leading non-profit medical oncology organisation. We are a membership-based society: 500 expert committee members and more than 10,000 oncology professionals

The Christie

The Christie is a world-leader in research, the first UK member of the Organisation of European Cancer Institutes and the largest cancer centre in Europe, treating more than 40,000 patients a year. We are also the first UK centre to be officially accredited as a comprehensive cancer centre

Scientific Committee

Dr Paul Lorigan

Reader in Medical Oncology, University of Manchester

Professor Richard Marais

Director, Cancer Research UK Manchester Institute

Professor Rolf Stahel

Head of the Centre for Lung and Thoracic Oncology,
University Hospital of Zürich, Switzerland
President - ESMO

Learning outcomes

Upon completion delegates will:

- Gain a better understanding of the basics of tumour immunology
- Learn about the essentials of immunotherapies and their applications in cancer medicine
- Learn about the status of development and clinical experience of immunotherapy in different tumour types

Venue Information

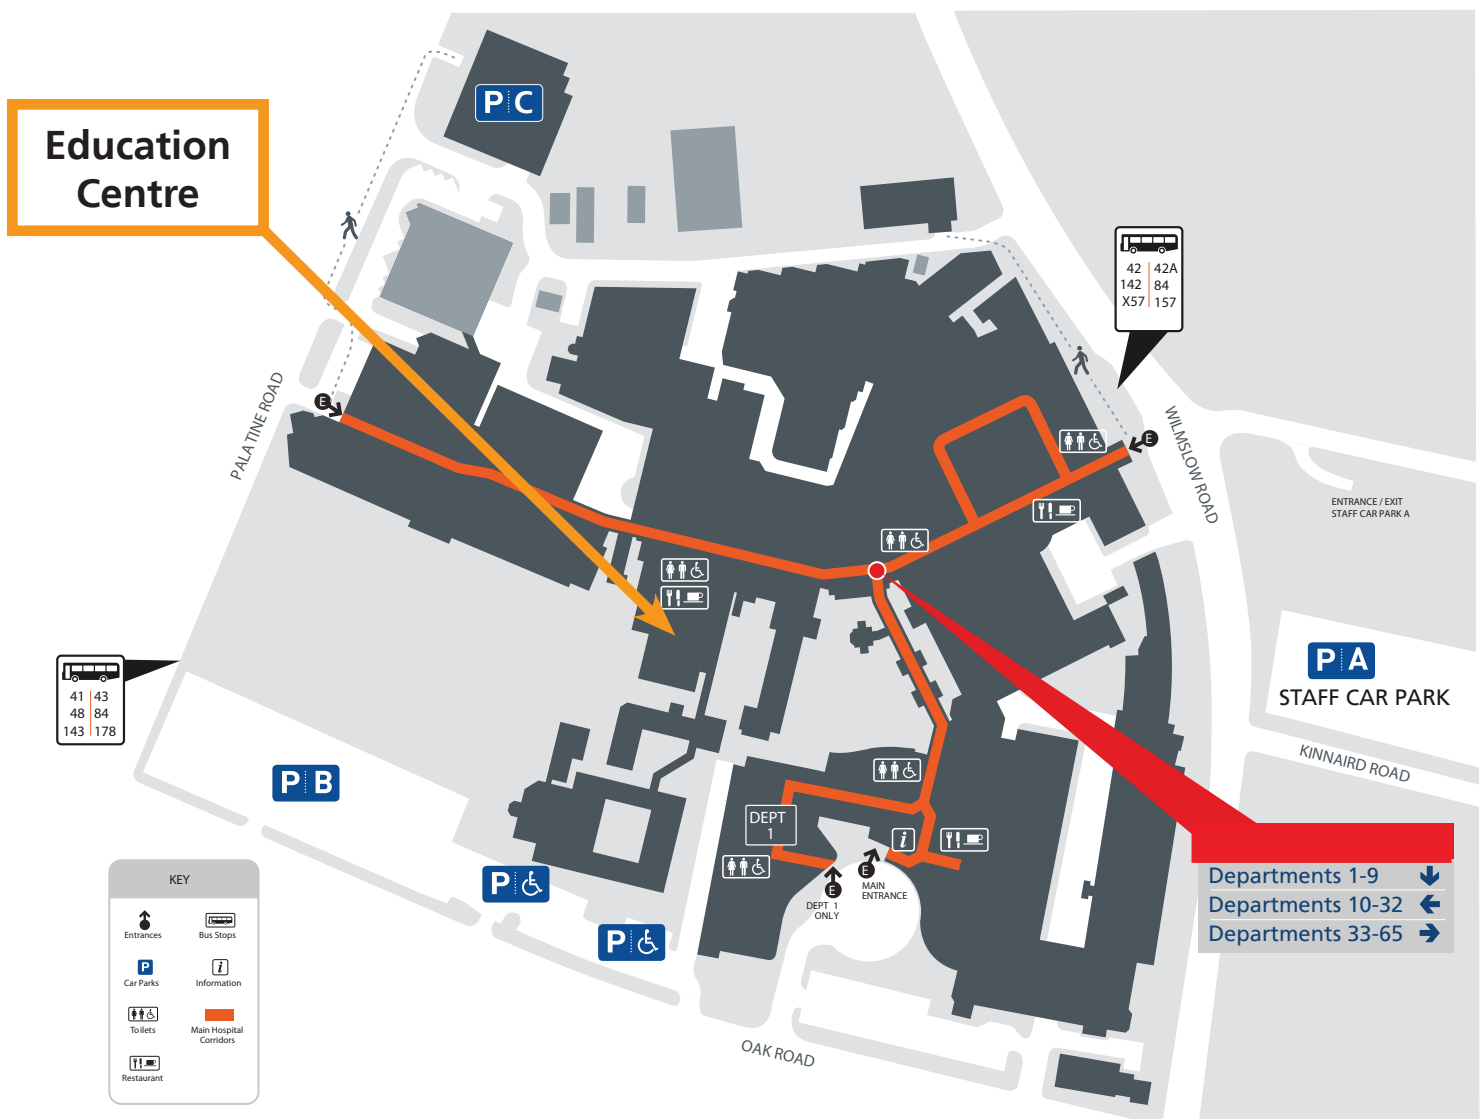

Education Centre
Department 17
The Christie NHS Foundation Trust
Wilmslow Road, Manchester, M20 4BX
United Kingdom
T. 0161 446 8196

Finding the Education Centre

Once inside the hospital, the Education Centre is relatively straightforward to find as it is in the centre of the main building and above the visitors canteen – The Wilmslow Dining Room. There are three main entrances for visitors – **Oak Road Reception, Palatine Road and Wilmslow Road (Outpatients)**

1. Entering at **Oak Road Reception** – follow signs to Wilmslow Dining Room or Education Centre down the glass corridor passing the Conservatory and Cancer Information Centre. Take a left at the end of the corridor and go past the Social Work department. The Centre is on the top floor above the Dining Room
2. Entering from **Palatine Road** entrance – follow signs to Wilmslow Dining Room or Education Centre past North West Medical Physics, Communications and the Haematology & Transplant Unit. The Centre is on the top floor above the Dining Room
3. Entering from **Wilmslow Road (Outpatients)** entrance – follow signs to Wilmslow Dining Room or Education Centre passing Outpatients, Radiotherapy, Pat Seed and Social Work. The Centre is on the top floor above the Dining Room

The Education Centre is situated in department 17 and is indicated on the below siteplan

Immunotherapy of Cancer - Friday 23rd January 2015

08.30	Registration & coffee
09.00	Chairperson's welcome <i>Roger Spencer</i> - Interim CEO, The Christie
	Essentials of tumour immunology (Chair: Professor Robert Hawkins)
09.10	Understanding the biology of melanoma <i>Prof Richard Marais</i> - Director, Cancer Research UK Manchester Institute
09.40	Basic immunology for oncologists <i>Dr David Gilham</i> - Senior Research Fellow / ICS PGR Director, Cancer Research UK Manchester Institute
10.00	Tumour immunology for oncologists <i>Prof Poulam Patel</i> - Professor of Clinical Oncology and Honorary Consultant Medical Oncologist, Nottingham University
10.20	Panel discussion
10.30	Coffee break
	Essentials in immunotherapies (Chair: Professor Poulam Patel)
11.00	Vaccines <i>Prof Alan Melcher</i> - Professor of Clinical Oncology and Biotherapy, University of Leeds
11.25	Immune checkpoints <i>Prof Helen Gogas</i> - Professor of Medical Oncology, University of Athens
11.50	Adoptive cell transfer <i>Prof Robert Hawkins</i> - Cancer Research UK Professor & Director of Medical Oncology, CRUK Manchester Institute
12.15	Panel discussion
12.30	Lunch
	Melanoma (Chair: Dr Paul Lorigan)
13.30	Immune checkpoints and combination therapies including targeted therapy <i>Dr Paul Nathan</i> - Consultant in Medical Oncology
13.55	Adoptive transfer <i>Prof Robert Hawkins</i> - Cancer Research UK Professor & Director of Medical Oncology, CRUK Manchester Institute
14.20	Practical issues: toxicity handling, patient selection, response assessment <i>Dr James Larkin</i> - Consultant in Medical Oncology, Royal Marsden Hospital
14.45	Discussion
	Immunotherapy across tumour types (Chair: Dr Fiona Blackhall)
15.00	Immune checkpoints blockade for lung cancer <i>Dr Raffaele Califano</i> - Consultant in Medical Oncology, The Christie & University Hospital South Manchester
15.20	Renal Cancer <i>Dr Fiona Thistlewaite</i> - Consultant in Medical Oncology, The Christie
15.40	Discussion
15.50	Coffee break
	Immunotherapy across tumour types (Chair: Dr James Larkin)
16.10	Colorectal cancer <i>Dr Rachel Kerr</i> - Consultant in Medical Oncology, Oxford University Hospitals
16.30	Breast Cancer <i>Dr Anne Armstrong</i> - Consultant in Medical Oncology & Honorary Senior Lecturer, The Christie & Manchester University
16.50	Discussion
17.00	Close

Immunotherapy of Cancer - Saturday 24th January 2015

	Immunomonitoring (Chair: Dr Paul Lorigan)
09.30	Flow cytometry (surface, intracellular, tissue), treatment assessment <i>Dr David Gilham</i> - Senior Research Fellow / ICS PGR Director, Cancer Research UK Manchester Institute
09.50	Precision medicine in melanoma <i>Dr Romina Girotti</i> - Molecular Oncology Postdoctoral Fellow, University of Manchester
10.10	Discussion
10.20	Coffee break
	Immunotherapy across tumor types (Chair: Dr Catherine McBain)
10.40	Prostate Cancer <i>Prof Noel Clarke</i> - Professor of Urological Oncology, The Christie
11.00	Ovarian <i>Dr Andrew Clamp</i> - Senior Lecturer in Medical Oncology, University of Manchester
11.20	Discussion
	Case discussion (Chair: Dr Paul Lorigan)
11.30	3 x Clinical cases from participants: <i>All faculty</i>
12.30	Lunch
	Immunotherapy across tumor types II (Chair: Professor Noel Clarke)
13.15	Lymphoma <i>Dr Kim Linton</i> - Senior Lecturer/Honorary Medical Oncology Consultant in Lymphoma, The Christie
13.35	Glioblastoma <i>Dr Catherine McBain</i> - Consultant in Clinical Oncology, The Christie
13.55	Discussion
	Trial design and management of toxicities (Chair: Dr Paul Lorigan)
14.05	Clinical trial design and regulatory issues <i>Dr Lana Kandalaft</i> - Adjunct Assistant Professor of Obstetrics and Gynecology, University of Pennsylvania, USA
14.25	Management of toxicities <i>Dr Samantha Bowyer</i> - Clinical Research Fellow, The Christie
14.45	Discussion
14.55	Summary and Close <i>Dr Paul Lorigan</i> - Reader in Medical Oncology, University of Manchester
15.00	Close

ENDORSEMENT

'ESMO-Christie Preceptorship: Immunotherapy of Cancer' has been approved by the Federation of the Royal Colleges of Physicians of the United Kingdom for 12 category 1 (external) CPD credit(s)

EVENT SPONSORS

Bristol-Myers Squibb have provided funding to enable this meeting to take place and have had no input into the agenda or selection of topics or speakers
